Nassau Hall Sept 14th 35

Dear Mother,

I received yours of the 8th on the 11th. I was very glad on account of two things—the pleasure of hearing from home & the money that was in it. My foot is entirely well now, & I intend to try to keep it so. If I shall always be my advice & endeavour to act in such a manner as shall meet your approbation I so long as I am in college I will try to do nothing which will hurt your feelings—I do not think that Aunt Susan will accompany me home this fall, although I am not certain, if she makes up her mind to come, I will let you know three or four days beforehand so that you can make proper plans & we may have such
Hier in nacht item $I$ gebe begin Attohomii. In College that there was an Accident of some, Ione might the students about 60 or 60 in number went down to a larger man’s house, where they knew they should find me held to a meeting the following went into the house, while the rest stood outside to watch, I taking the fellow by the arm we should come along with three, at first the man refused to take them to stand off, for he has the law in his side that he would make use of it, they said he had already knew which was sufficient for them. So for anyone else they would get a way to make him, he was not ready desided to come, so they had to hold on him. I urged him out of the house, that I just intended to their better shine, but he begged so persistently that they determined not to injure him, they took my slender arm away from him. I learned as I then told him up in front of the Seminary. I called to the seminary that there was an Adbolutionist. They might look out to be solved in the same manner if they caught any of them; they took him a little for ways past the Seminary. I told him to run for my life & be of our fellow and then after him a short distance I then slept. The students had allowed after the students affecting to have some sport. They wanted the students to let them go after him & catch him, but the student would not as I, they told them not to do it, they were afraid of their examination commences with Monday of March 1st, the Monday following, we are to be examined on all the subjects of the Sophomore year. Critical, Horace, English, Homer, Greek, Latin, Homer, Latin, Greek, David, Latin, Poetry, Tragedy, Nautical, Astronomy, together with the Arithmetic, English Grammar, Grammar, of Geography. All of which I was very anxious about the Commencement. This be held in the morning of T is a long a splendid one, if not a poor one. In our country, we have been obliged to a week in the first part of August to 10 days in the latter part. We are now in the fourth day in our army, it is very convenient by a good fortune. I wrote the wrong princi. The faculty are getting on in another letter. The faculty are doing the greater part of this business, they the students do not commit quite so much mischief of the side. The faculty are getting in treat them with more respect. Only more than possible that if the faculty held on in myerson that the college will prosper, but I would direct that if the faculty are the first and the last. If their care would be to a sort of a custodianses, Gise my love to all Father and the rest. I when you write to shall give love to my love, give my respects to all who make inquiry for me. I am your affectionate & respectful.
